To Whom It May Concern,

Re: KT Construction Services

KT Construction Services undertook and completed a banquet room renovation here at Delta Calgary South during the month of January 2011 and I would be pleased to recommend them to any company requiring construction services.

The project consisted of a replacement of all entry and interior doors, chair rails and all baseboard and trim. The entire room was repainted along with the installation of new vinyl.

The work was completed on time and the workmanship was excellent. We were especially pleased with the quality of the wood products used as they were provided by a mill and wood shop sourced specifically for KT. The onsite crew worked diligently to maintain the agreed to schedule and left the premises in a neat and clean condition upon completion.

Please feel free to contact the undersigned if additional information is required.

Regards,

Keith Bryant
President

A promotional banner for Delta Calgary South. On the left is a photograph of a large, modern ballroom with round tables set for a banquet. On the right is a blue background with white text. The text reads: 'Planning a Meeting or Event? Check out our newly renovated Bonavista Ballroom. Enjoy a fresh new look and feel with new decor, chairs, lighting and sound system.' Below this is a call to action: 'Click here to start planning your event.' To the right of the text is the 'My DELTA CALGARY SOUTH' logo, which includes a stylized 'D' symbol.
